Application for membership is filled out at an orientation class for new members. The class is mandatory and the applications are sent to the next Board of Directors meeting for approval. Orientation is regularly held on the second Sunday of each month, but special scheduling may be arranged. All membership requirements are handled at the orientation class. For questions and class signup, contact the Training Officer by clicking on the CONTACT tab in the left margin of this website. Or call the above phone number during public hours of operation for information. Annual membership period is from June 1 to May 31 however dues and work bond are pro rated by the month membership begins.

- Dues are \$48/year.**
- Work bond is \$120/year.**
- We are 100% NRA membership, \$25/year if you signup through EEGC, or \$10/year without magazine subscription.**

Emerald Empire Gun Club is a 100% National Rifle Association membership club. Membership in the NRA is required which can be done at the orientation. The NRA provides many benefits and programs essential to the shooting sports and the operation of a gun club.

To maintain reasonable costs of operation, the club utilizes member volunteers for various duties. Members will receive credit to apply towards their next years Work Bond when volunteering their time to assist in work parties, projects, program officiating, or with range master duties. By volunteering a few hours a month a member could easily earn enough credit to cover the entire cost of their next years Work Bond and Dues.

We are not set up for credit cards so please bring your check book as required funds will be collected at Orientation.

Thank you, we look forward to shooting with you.
